Lester Mechling was present to discuss what the Village would like done regarding the demo of the property located at 303 South “H” Street. The Village has started the process of remediation with the current owner. Mr. Mechling’s bid of \$12,500.00 was the lowest received. He will not have to do anything with the camper and gooseneck trailer that currently sit on the property. We need to make sure the gas and electric have been shut off to the house along with the water service.
