Back-to-School Safety Reminder

As the new school year begins, please remember to **slow down and stay alert** near schools, bus stops, and crosswalks. Watch for children walking or biking to class and **never pass a stopped school bus when its lights are flashing**.

Parents, talk to your kids about looking both ways before crossing streets, using sidewalks when available, and staying visible in the early mornings. Let's work together to keep all our students safe as they head back to school!

Have a wonderful and safe school year!
