Several residents had questions how the estimates are done and why they are done. If you've been overestimated, is there any kind of refund/adjustment? Villages around us have the newer technology so estimating is not an issue. Currently, the date received in the office is the paid date. With the mail having to go from here to Champaign and back again, can the paid date be the post mark on the envelope? Can bills be e-mailed to those that want them? Is there a way to do budget billing? The board will look into restructuring how estimates are done at the May board meeting. Also, review the request of crediting resident for overcharge.

Marsha made the motion to adjourn at 7:05 pm, with a 2nd by Donnie. All in favor? Motion carried.
